

# Fence Near Wall Monument HD®

\*Non wind bearing fence. If lateral loads will be applied, fence should be designed by structural engineer.

Plan View

Note: Slit successive layers of geogrid around proposed fence post or guardrail post installation points. Backfill and compact around sonotube. Check fence design for embedment depth of fence post

Scale: None

This drawing is furnished for preliminary design purposes only, and should not be used for final design drawings or construction drawings without the certification of a professional engineer registered in the state in which the wall will be constructed
